We Now Have Two 16' Box Trucks!

Our 16' box truck has become so popular, we've added a second one to the fleet! We now have a 2011 Isuzu NPR HD and a 2007 GMC, both are diesel with tuck-under lift gates, to meet all your art dept or production needs.

See full fleet details below and as always, call or email for availability.

Basket Service

We now offer basket service for shoots that don't require full-service crafty. With a little bit of advance notice, we will build our custom baskets and coolers for your shoot. These can be picked up and returned at the compound. Call or email for rates.

DON'T FORGET! WE HAVE 5-GALLON WATER JUGS WITH PUMPS!!!

If you're interested in reducing single-use bottled water on set, we rent 5-gallon jugs with pumps. These can be rented individually, as part of our basket service or as part of our full-service crafty offering.
