## Welcome to the Summer edition of the Go-4 Nuge Letter!

**Nuge Crafty...as seen and tasted on Northwest sets this month!**

### What's New at The Nuge

**We've Added a Second Pass Van to the Fleet!**

This 2012 Ford E-350 is our second 15-passenger van. It's already starting to get booked up so call or email right away for rates and availability.

### People Mover Gets a Makeover

Our 15-passenger people mover/mobile production office with 2 exterior rear-entry restrooms is now sporting a brand-new black paint job. Call us to book this customizable rig for your next tech scout or shoot.

### Congrats To Our PA Class Graduates!

Dave and Vanessa co-taught their inaugural How To Get Started As A Production Assistant seminar on June 13th & 14th. A great group of aspiring PA's attended. They left ready to work on set and in fact most are most working on set now!

If you have not already received an email from Vanessa with the group's contact info, please get in touch to request it.
