Welcome to the Holiday Edition of the Go-4 Nuge Letter!

2015 has truly been a momentous year for Go-4 Nuge Production Rentals! We've launched this Nugeletter, greatly expanded our fleet and our walkie inventory, streamlined our ordering process and so much more! We'd like to take this opportunity to thank every single one of you, near and far, for helping to make 2015 a banner year! We look forward to feeding you in 2016!

Nuge Year's Day Party

Come ring in the New Year at our 6th Annual Nuge Year's Day Appetizer POTLUCK !

3-6PM on January 1st (New Year's Day)

Everyone in the film industry is invited, so pass the word as we can not keep up with all the new people in the industry. Please let us know if you are planning to come so we can plan accordingly...and if you can please bring an appetizer as Bobbi is undergoing surgery Dec. 21st and will be unable to provide the food service that we have had in past years....

The Changing Face of Go-4 Nuge

Starting in December, Angel LeBouef has replaced Vanessa Eng in the Go-4 Nuge Global HQ office. Angel brings a strong office background to the role and is fired up to be the Nuge Rock Star Please welcome her!

We give great thanks to Vanessa Eng for everything she brought to us and wish her well in her endeavors coming forth.

Please note that aside from the person responding to rental request emails, nothing else will change about the ordering process. Please continue to direct all requests and bookings to orders@go4nuge.com.... any questions on How To Order can be found on our Web Page www.Go4Nuge.com

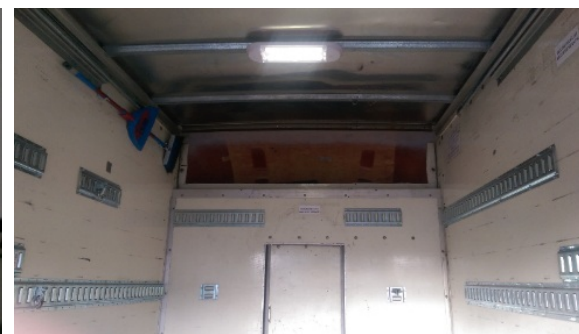

Box Truck Upgrades

All the box trucks in the Go-4 Nuge fleet now come equipped with back-up cameras as well as interior and exterior work lights.

The lights can be operated by a switch inside the cube.

The cameras turn on automatically when the truck shifts into reverse.

We expect these additions will make loading and unloading in the dark much easier and faster!

We've Added a Minivan to the Go-4 Nuge Fleet!

Long-utilized for crafty, this 2013 AWD Toyota Sienna is now an official member of the fleet and available to rent. With stow-and-go seats, this vehicle can carry passengers or gear when a full 15-pass van or cargo van is not required.
